The team of Nashville Citizens for Fair & Transparent Government

The undersigned registered and qualified voters of Davidson County hereby demand, pursuant to section § 15.07 of the Metropolitan Charter, the election of a successor to Mayor John Cooper as Mayor of Davidson County.

The reasons for removal include the following:

- Poor fiscal stewardship - While Nashvillians suffer economic devastation, he refuses to make reasonable budget cuts and utilize the unanticipated revenue from sales tax to alleviate the property tax increase.
- Indifference to children and young families - Despite the evidence and recommendation by pediatricians, he has kept schools closed instead of allowing parents to choose in person or virtual learning.
- Destruction of businesses and jobs - He has misled citizens about COVID-19 data, using it to target some jobs and businesses while allowing others to flourish, and leaving thousands of Nashvillians unemployed.
